IFERP always stood by each other during the toughest times. We never gave up battling during the academic activities.

We created employment, engagement opportunities and livelihood for our Professional network who focused on related state of engineering and technologies in the areas of Mechanical Engineering, Electronics and Communication, Electrical and Electronics Engineering and Technology. The keynote delegates attended were Professor D.V.L.N. Somayajulu, Director, IIITDM, Kurnool, Sanjay Hotwani, Senior Manager, Data Science - AI Solutions Lab at ProweeksouteCoopers - Service Delivery Center (PwC SDC), Bengaluru, India, Dr. Parag Chakale, Registrar, Manipal Academy of Higher Education - Manipal, India, Dr. Rama Krishna V, Associate Professor, Mechanical Engineering, VNR Vignana Jyothi Institute of Engineering & Technology - 2020 (ICRDTIET-2020), organized by Chiplun Institute of Technology (CIT), Gunjur, Andrea Pothier Salapath in association with IFERP on 28th & 29th February 2020 was a breakthrough to all Engineering graduates. Dr. R K Royalty MR, Ph.D, FIE, FISTE, Professor in Civil Engineering & Advisor to Management, Gokuldevad Engineering College, was instituted as Guest Of Honour for this rousing event.

The IFERP 28th World Conference on Applied Science, Engineering and Technology (ICASEET-2020) took place on the 24th-25th July 2020. The event was held in the beautiful city of Manila, Philippines. Our keynote speeches were delivered by Mr. Rudra Bhanu Satpathy, Convenor - IFERP,
As in previous instances of the conference, the twin events happened on 26th and 27th December 2020. The 4th International Conference On Emerging Trends on Engineering Science, Technology And Management (ICETSTEM-2020) held in Jakarta, Indonesia. The conference chair for ICETSTEM - Indonesia was Dr. Bambang Sugiyono HP, Professor, Indonesia and the esteemed keynotes were Sibish, Japan, Professor; Dr. Macario G. Gayeta; Professor, Philippines; Veena Lankar, Policy Researcher, Japan; Dr. Jinks B. Melaja, Research Director, Philippines; Prof. Ts. Dritian Zaxah Mar Derar, Professor, Malaysia; Dr. M.V. Reddy, Senior Researcher, Canada.

And from 3rd International Conference on Recent Trends in Multi-Disciplinary Research (ICRTDR - 2020), we had Dr. Dr. Shyamala Sutar, Head, Asst Professor of Computer Science, A.P.C Maharaja College For Women, Thoothukudi as our Guest of Honor and prominent speakers like Dr. Abdul Rashheed Ahmed, Minister of State For Education, Maldives; Dr. Anindo C. Pagayatan, Professor, Campus Administrator At Eastern Samar State University - Gusan Campus Prof. Jake R. Pomperada, MAED-R, MIT, Science Research Specialist I, Technological University Of The Philippines Visayas, Philippines.

The Webinar on “Learning path to data science” was held on September 26th, 2020, from 5:00 PM - 6:30 PM. The theme of the conference was “About the Learning Contents and Different Ways to Explore Data Science. Dr. S. Gomathi, Teaching Consultant, UK INTERNATIONAL QUALIFICATIONS the Learning Curves and Different Ways to Explore Data Science.

The webinar series titled “During the battle of Covid -19 our team paved way for knowledge sharing through the webinar series titled “Knowledge Sharing on AI to Z on Journal Publication” held on 14th October 2020. This webinar series was for any researchers, professors, academicians, students, industry persons in the field of engineering, science & technology, management, arts & science, life science interested in writing research articles, publishing their research articles in reputed journals and advancing their career.

As a momentous outstanding virtual event, A Webinar on Series on “Learning Series on Machine Learning” from 8th Nov 2020 to 8th November 2020 focused on the Overview of Machine Learning, different Terms and Topics covered by Machine Learning. The experts attended as key speakers includes Dr. Sharvari C Tamane, Professor and HoD, Information Technology, AIEC, MDM University, Aurangabad; Dr. Nikhil Uke, Principal, Trinity Academy of Engineering, Pune; Pastor Angelique Jr., Dean, College of Computer Studies, University of Pervatal High System Delta, Philippines; Dr. Rajan Kumar, Associate Professor, VIT University, Dr. Valsina Khan, Associate Professor, Department of Computer Science and Engineering, BITEC, Gandhinagar, Bhopal.

In the year 2020, IFERP gave academics many thought provoking speakers who shared their knowledge and scientific experience to our delegates. Keynote addresses & guest lectures were delivered by renowned leaders from academics & industries.
