News Letter | Arete – 2022 | Empowers You

Volume.4 | Issue – 2 | Monthly | April 2022

Contribute News/Articles for IFERP Newsletter

The IFERP's Newsletter for April 2022 is now available. The IFERP assets of April, 2022 is highlighted in this edition. Professional members, student members, institutional members, and corporate members will receive a monthly newsletter from IFERP. The IFERP Newsletter is a regular online publication that features community-relevant content.

With the objective of career development for faculties, personality development for students, and overall development of our technical education, we are a place where others with similar interests can exchange their views.

IFERP has received creative ideas from all members for improving the Newsletter's excellence by introducing theme-based articles from its representatives, the corporate world, positive stories of industrial engineers, best practices at institutions, technological developments around the world, and so on to benefit the readers. Information on IFERP's activities will continue to be included in the Newsletter.

CEO's Message

Our glittering accomplishments in April 2022...

The Institute for Engineering Research and Publication's newsletter for April 2022 is now ready avail. Take a look at IFERP's accomplishments, April 2022 provided IFERP with many memorable occasions that helped us to realize our purpose and vision.

We are dedicated to provide research scholars with an inspiring global platform where they may learn, gain information, and share research ideas while also feeling appreciated and capable of thriving as researchers. With 70K+ members, it is a leading global source of scientific information. More than 5000+ students and professionals joined as IFERP members in April 2022. Every year, IFERP promotes engineering, science, and technology, as well as research and innovation, through its publications, magazines, and proceedings from over 200 yearly conferences. IFERP encourages our members' professional development by providing chances for professional networking, lifelong learning and career development, research assistance and mentoring, and publication of their findings in reputable publications.

Through our R&D initiatives in various parts of the world, our members and associates have reached a few milestones. IFERP recognises its ethical behaviour and integrity responsibilities in the interest of our members. IFERP will always be accountable for its commitment to innovation and quality, as well as its dedication to sustainability and tenacity in providing improved services to society.

Our Milestones 2022

April 2022 Success Stories...

5+	International Conferences around the globe
2+	AIP/IOP Scopus Conferences
1+	International Conferences worldwide
4+	International Collaborations & MoU's were signed
3+	Webinars
800+	Scientific Presentations
500+	Publications
1021+	Professional Members
2941+	Student Members

Overall

154+ International Conferences in India	117+ International Conferences Worldwide	385+ International Collaborations & MoU's	200+ Virtual Events
33,500+ Professional Members		39,800+ Student Members	23,300+ Scientific Presentation

A Faculty Development Programme on " IPR – Bridging the gap from Research to Innovation" was organized by IFERP on 26th April, 2022, Mr. Sunil Gangwani, Research & Innovation Expert with a focus on Strategy, Fund Raising and Intellectual Property Rights, Senior Manager, Pandit Deendayal Energy University, delivered the speech

Our Featured Speakers – April, 2022

Prof. Dr. Beatriz Lucia Salvador Bizotto
Department of Social and Applied Sciences
UNIFACVEST University Center
Brazil

Dr.Lampong Klomkul
Acting Director for Research,
Information and Academic Services Division,
ASEAN Studies Centre,
MCU, Thailand

Professor Dr. GVR Shastri
Chairman, Coastal India Development Council
New Delhi, India

Shri. Shreegumi Dharman Vijeyen
Minister of Environment & Climate change
World Parliament Government
Delhi, India

Dr. Saravanan Raj
Director (Agricultural Extension)
National Institute of
Agricultural Extension Management (MANAGE)
Rajendranagar, Hyderabad, India

Dr.Ashok S. Alur
Director, Centre of Excellence for
Farmer producer Organizations
Director, DoH and UHS-B -Government of Karnataka
College of Horticulture-UHS-B premises
GKVK-Bengaluru

Dr.Narayan Shrestha
Project Officer
Aberdeen City Council Greater Aberdeen Area,
Scotland, United Kingdom

Shri Naveen Jakhar I.T.S
Assistant Director-General
I.T.S (Indian Telecommunication Service)
Government of India, India

Prof.(Dr.) Mohammad Israr
Vice-Chancellor, Mewar International University
Masaka, Nasarawa State,
Federal Republic of Nigeria

Prof (Dr) Prabhat Ranjan
Vice Chancellor
D Y Patil International University
Akurdi , Pune

Dr. Sailesh Iyer
Professor and Dean, CSE/IT Department
Rai School of Engineering, Rai University
President RU IIC and RU Nodal officer-GSIRF
Ahmedabad, India.

Mr. Fred Haney
President at Dycat Solutions
Alberta, Canada

Dr.R.K.Taylor
Manipal University, Jaipur
Expert of Robotic Accounting & Process Automation,
EC Member, Indian Commerce Association

Shri. Surendra Nath IAS
Former Secretary To Govt of India, & Former Professor,
Economic & Business Laws,
Amity University, Delhi, India

Dr.Shrihari Prasad Honwad
Vice Chancellor
Sir Padampat Singhania University
Rajasthan, India

Dr.Krishna Gadasandula,
Professor, Debre Tabor University,
Ethiopia

Mr.Juan Vargas
Associate Vice President at Infosys Ltd
Bellevue, Washington

Mr.Manish Advani
TEDX Speaker, Startup Advisor,
Founder & CEO
MIMI Potentio, Maharashtra

PROF. DR. STEVEN FURNELL
Professor of Cyber Security
University of Nottingham
Nottingham, England, United Kingdom

DR. P.K. JAIN
Associate Director,
Frequency Management & SatCom Planning,
SATCOM-PO, ISRO Headquarters,"Antariksh-Bhavan"
Dept of Space, Govt of India, Bangalore

Professor.Dr.Raziq Yaqub
NASA Faculty Fellow
NASA Glenn Research Center
Senior Member, United States

Mr. Sunil Gangwani
Research & Innovation Expert with a focus on Strategy,
Fund Raising and Intellectual Property Rights, Senior Manager,
Pandit Deendayal Energy University

Dr.Indranil Bose
Dean, School of Business,
University of Bolto, UAE

International Conference / Co Host MoU Signed

- Francis Xavier Engineering College, Tirunelveli, India
- PSCMR College of Engineering and Technology, Vijayawada, India
