2019, SOME MAGNIFICENT MOMENTS ... 

41 International Conferences were organized in India and 200+ International Conferences were organized worldwide. This result is reflected in the fact that several hundred people attended the conferences organized by IFERP. The International Collaborations & MoU's were signed at 400+. The number of publications was 21500+, and the number of scientific presentations was 110+. The number of guest lectures & keysnotes was 65000+. The number of students in IFERP was 28500+, and the number of student chapters was 6000+. The number of journal tieups was 32000+. The number of delegates attendance was 63000+.

BIG FEET TOWARDS INNOVATION WITH ASSOCIATION

Since our establishment ifERP is committed towards its tag line to connect researchers and innovators across the world through sharing of knowledge and cooperation for incubation. To modernize our journey, we collaborated with renowned institutions, colleges, universities and research centers to serve them through our vibrant network of wizard of worlds. IFERP is moving forward to achieve its vision of organizing Interdisciplinary Conferences from its mission of organizing Multidisciplinary Conference. IFERP launched a digital platform for its members for communication to reach the step towards united innovation.

FROM JULY 2019 SECOND PART SUCCESS

The twin events - the International Conference on Management, Engineering and Social Science (ICMESS) and the International Conference on Artificial Intelligence and Robotics (ICAIR), were held in parallel at The Ghat Hotel in Mumbai and 20th of September 2019. Awe-inspiring keynote speeches were delivered by acclaimed field specialists including Dr. Mehran Sarkarati, head of the Applications and Robotics Data Studies; Dr. Mamun Bin Ibne Reaz, Professor at Universiti Kebangsaan in Malaysia, and Dr. N. Thamaraiselvan Natarajan, Professor at the Department of Management Studies; Dr. S. K. Singh, Professor & Dean (AA) from the Department of Civil and Environmental Engineering at the Delhi Technological University and Dr. S. R. Srinivasan, Professor Emeritus (Retd.), of the CSE Department, at Sri Sairam Engineering College.

CONCLUSION

In conclusion, the year 2019 marked our journey due to the support of our members, associates, students & staffs. The results were achieved from the hard work and efforts of the organizers, the speakers, the attendees, and all the members of IFERP.

ATTENDING THE INTERNATIONAL CONFERENCE ON NEW ACHIEVEMENTS IN ENGINEERING AND TECHNOLOGY

Organized by the IFERP, the International Conference on Recent Trends in Engineering, Management and Social Science (ICRTEMS - 2019), which took place on 27th and 28th of September 2019, turned out to be a groundbreaking event. The event was held at the Delhi Institute of Technology Management & Research, Faridabad, Haryana. The conference was overseen by prominent domain authorities including Dr. Vedad Matkovac from J.C. Bose University of Science and Technology and Prof. Hardeep Singh, the Co-Founder of CYBOTICS, in Germany, graced the event. Attendees of the International Conference on New Achievements in Multidisciplinary Academic Research - 19 were treated to shining insights on contemporary global research activities taking place worldwide. The event took place at the Sri Krishna Arts and Science College, Amritsar.

ATTENDING THE INTERNATIONAL CONFERENCE ON ADVANCES IN ENGINEERING AND TECHNOLOGY IN WESTERN MAHARASHTRA

The twin events - the International Conference on Management, Engineering and Social Science (ICMESS) and the International Conference on Artificial Intelligence and Robotics (ICAIR), were held in parallel at The Ghat Hotel in Mumbai and 20th of September 2019. Awe-inspiring keynote speeches were delivered by acclaimed field specialists including Dr. Mehran Sarkarati, head of the Applications and Robotics Data Studies; Dr. Mamun Bin Ibne Reaz, Professor at Universiti Kebangsaan in Malaysia, and Dr. N. Thamaraiselvan Natarajan, Professor at the Department of Management Studies; Dr. S. K. Singh, Professor & Dean (AA) from the Department of Civil and Environmental Engineering at the Delhi Technological University and Dr. S. R. Srinivasan, Professor Emeritus (Retd.), of the CSE Department, at Sri Sairam Engineering College.

As always, the 22nd edition of the World Conference on Applied Science Engineering and Technology, which was held on the 26th and 27th of September 2019, in Singapore, was a spectacle to behold. Attendees of this remarkable event were treated to inspiring keynote speeches that shook the audience were delivered by the likes of Dr. Bambang Singh Bal, Vice-Chancellor of Sant Baba Bhag Singh University in Punjab, Mr. Pierre Freyssinet, Head of Applications and Robotics at the Operations Centre of the ESA Germany, Dr. Mehran Sarkarati, Professor (EE&SE) at NIT - Tiruchirappalli, India, and Dr. C. V. Gopinath, Professor (ECE) at SRM University, Chennai, India.

As in previous instances of the conference, the 24th World Conference on Applied Science Engineering and Technology, which was held in Kuala Lumpur, Malaysia, on the 26th and 27th of November 2019, also witnessed considerable headway being made, in terms of propelling the delegates’ understanding of novel concepts and methodologies in their respective domains. Amongst keynote addresses delivered at the conference was a speech delivered by Dr. Tris Vireesh Thiruchelvam, Deputy VC and Chief Innovation Officer of Asia Pacific University of Technology and Innovation in Malaysia.

A momentous event, the International Conference on Applied Sciences, Engineering, Technology & Management (ICASETEM-19) was organized by the IFERP in association with the highly reputable, Asia Pacific University of Technology & Innovation (APU) in Kuala Lumpur, Malaysia. The event took place on the 18th and 19th of October 2019. Profound speeches were delivered by prominent experts such as Dr. Pastor Araguilles, the Dean for the College of Computer Studies at the University of Pupatual Help, Molinos Campus in the Philippines and Dr. Estela O. Simon, the President of the First City Providential College in the Philippines.

As a milestone occasion, the International Conference on Renewable Energy & Emerging Technologies, which was organized by the IFERP took place in Jakarta, Indonesia on the 13th of November 2019. Enraptivating keynotes that shook the audience were delivered by the likes of Dr. Bambang - Singh Bal, Emeritus Prof. BITS Pilani, Sonipat, India and Dr. Varsha Turkar, Professor and Head of the Dept of E&T & MC at Don Bosco College of Engineering in Margao, Goa, graced the event with their presence.
