

7th WORLD CONFERENCE ON **Applied Science Engineering and Technology**

WCASET-18

5th & 6th January 2018

Holiday Inn Express
Kuala Lumpur City Centre, Malaysia

The Institute For Engineer Research and Publication in collaboration Holiday Inn Express Kuala Lumpur City Centre organized 7th - World Conference on “Applied Science Engineering and Technology ” (WCASET 2018) . The conference took place at Holiday Inn Express Kuala Lumpur City Centre, Malaysia .

The theme of the conference was to “Innovative Applied Science and Engineering Technology. Applied science is the application of existing scientific knowledge to focus more on the application of the engineering sciences.”

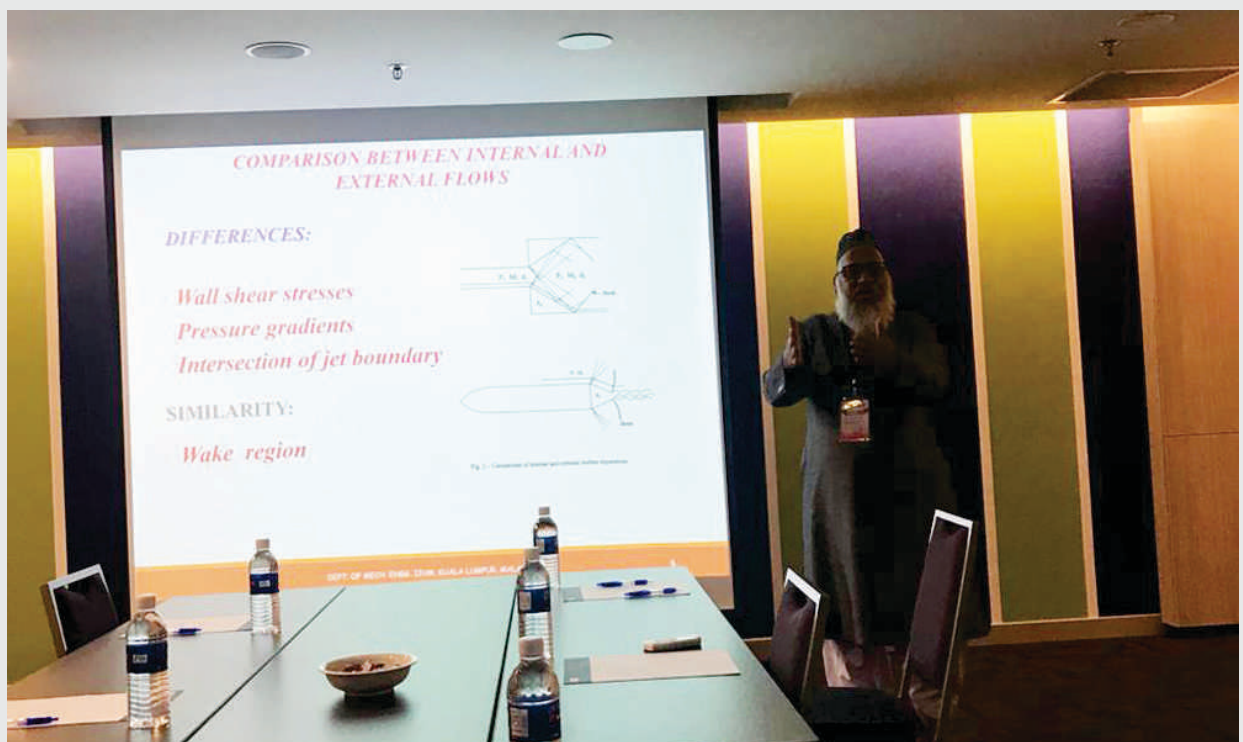

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference.

We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.
