

2nd International Conference on **Applied Science, Engineering and Technology**

2nd ICASET-16

18th & 19th October 2016

Organized by:

Swetha Institute of Technology and Science

and

Institute for Engineering Research and Publication

The Institute For Engineer Research and Publication in collaboration with **Swetha Institute of Technology and Science, Tirupati** organized the **2nd International Conference on Applied Science Engineering and Technology (ICASET-16)**. The conference took place at Tirupati , in the holy city of Andhra Pradesh,India

The Theme of the Conference was “Innovative Applied Science and Engineering Technology. Applied science is the application of existing scientific knowledge to focus more on the application of the engineering sciences”.

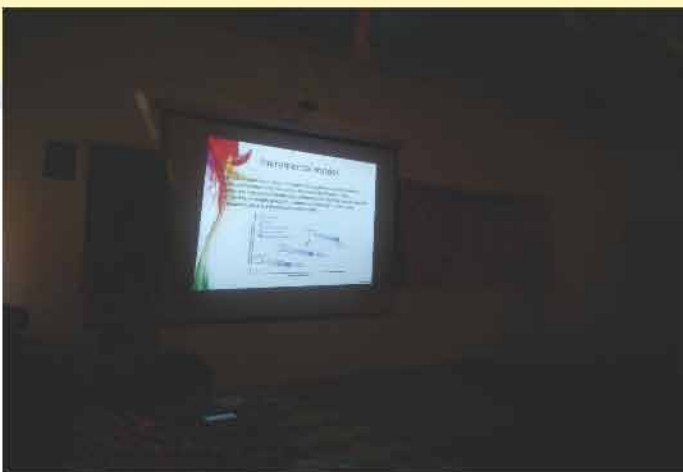

“Conference Overview “

They highlighted the relevance of the conference topics to the current trends of Applied Science Engineering and Technology

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference.

We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance.
