

1st International Conference on
**Research Challenges in
Engineering and Technology**

Puttur, Andhra Pradesh,

ICRCET-16

8th - 19th August, 2016

Organized by
**The Institute For Engineer
Research and Publication (IFERP)**

in collaboration with

**Siddharth Institute of Engineering
and Technology,**

Puttur, Andhra Pradesh.

The conference took place at Puttur, in the holy city of Andhra Pradesh, India

The Institute For Engineer Research and Publication in collaboration with Siddharth Institute of Engineering and Technology, Puttur organized the International Conference on "Research Challenges in Engineering and Technology "(ICRCET-16). The conference took place at Puttur , in the holy city of Andhra Pradesh, India

The Theme of the Conference was "recent innovations, trends and concerns, practical challenges and the problem solution adopted in the field of Engineering and Technology"

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

KEYNOTE SPEAKERS

Dr.P.C.Srikant

Professor, Department of Electronics & Communication Engineering, M.C.E.,
Hassan, Malnad College of Engineering, Hassan

Dr.B.K.Venkatramu,

Dr.Satish Dhawan Scientist

Liquid propulsion systems center – Bangalore

Dr.Chitirai Pon Selvam,

Associate Professor – Mechanical Engineering,
Head of Industry Relations – Engineering, Amity University, Dubai

Dr.Ashok Matani

Dr.Y.Vijay Kumar,

Professor & Principal,
Mechanical Engineering, SHIRDI SAI ENGINEERING COLLEGE,
Sai Leo Nagar, Guddanahalli, Anekal

We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.

“Conference Overview”

He highlighted the relevance of the conference topics to the current trends of
Research Challenges in Engineering and Technology
